the art of moving

WHY INSURANCE IS A NEED?

Moving can be high risk.

Despite 560 years combined experience and absolute care by some of the best trained professional removalists in the industry, the reality is that your belongings are at a much greater risk of loss or damage while being moved.

There are four main reasons for taking removals transit and storage insurance.

1

Most belongings are not made to be moved.

Whilst Chess Moving uses the highest standards of care and skill in making sure that your belongings are properly handled and protected, there is always the risk of an accident or influences outside our control which may cause damage or even loss of your belongings. The lighter construction of furniture these days is making it harder and harder for removalists to relocate furniture – even more now with the rise in popularity of flatpacked furniture, which is not designed to be moved in its assembled state.

Chess Moving takes pride and responsibility in offering you the protection you need. We offer you our skills and expertise in performing our professional services to minimize risk, and in addition we offer you the peace of mind and assurance of protection against accidents and forces of nature outside our control.

2

Contents insurance is unlikely to cover your belongings.

Most, if not all, home furnishings and belongings are not designed or built to be moved, and are therefore at a much higher risk of loss or damage when they are.

3

Removalists' insurance only covers their own legal liability.

Most prominent removal companies have in place commercial Carriers Liability and Public Liability insurance policies:

- This protects the removal company against their legal liability to pay compensation for loss or damage in the unlikely event that they are deemed to be negligent.
- Compensation under the above policies is limited to the indemnity value of the item(s) which takes into consideration the replacement value less an allowance for age and condition, wear and tear, and depreciation (not replacement value).
- If the removal company is deemed not to be negligent for circumstances beyond their control, or if the incident is caused by the act of a third party, the removalist's own policy does not cover these incidents. Any claim for loss or damage will need to be pursued directly against the negligent party or against your own insurer.

4

For financial Security and peace of mind.

To ensure your peace of mind against unforeseen circumstances, we have developed comprehensive Transit Insurance Cover that is available to you to minimise the risk and exposure you can be subject to in the unfortunate event of an accident or major incident occurring.

WHY CHESS MOVING IS THE RIGHT INSURANCE FOR YOU?

We understand the importance of protecting you and your family.

KNOW THE LAW OF THE SEA

All goods shipped by sea are subject to the law of **General Average**, a principle of maritime law where, in the event of an emergency voluntary sacrifice is made to safeguard the vessel, cargo or crew from a common peril (e.g. jettison of cargo to extinguish a fire), or expenses incurred otherwise, the loss is shared proportionately by all parties with a financial interest in the voyage. In other words, if there is a

loss on a ship that you have your belongings stored on, whether your belongings are affected or not, if you are not specifically insured against General Average you may incur significant expense to compensate those who were affected. This is why all Chess Moving Insurance includes coverage for General Average & Salvage.

3 DECIDE ON YOUR INSURED VALUE

OPTION Valuation: Volume Method

A

Volume Method derives a declared value of your belongings by multiplying a per cubic metre (m³) valuation rate by the total cubic metre volume of your consignment.

To arrive at your insured value, simply multiply the volume of your consignment (per your removals expert), by the minimum value of AU\$3,500/m³ for overseas.

OR

OPTION Valuation: Specified Items Method

B

Specified Items Method derives a declared value of your belongings by the sum total of your specified value of each of your items.

To arrive at your insured value, complete the detailed Specified Items Method form by nominating the actual Replacement Cost or Market Value of your items.

IMPORTANT NOTES:

- Carefully consider the appropriate basis of valuation method ('Option A' or 'Option B'), as this will be used in the event of a claim, and the amount nominated by you is the maximum value payable under the policy.
- Carefully consider whether the minimum cubic metre values specified in 'Option A' are sufficient for your needs. If the nominated amounts are insufficient, please amend with the value that suits your needs and then calculate the declared replacement cost of your consignment.
- When moving overseas, allow for any increase in the cost of goods at your country of destination, or any variances in the currency

exchange rates.

- In both valuation methods ('Option A' or 'Option B'), you will also need to complete the Specified Values Table nominating and valuing any antique, curio, plate, precious object, work of art, collection of items, fur, piece of precision equipment or similar, or professionally packed carton by Chess Moving where the value exceeds AU\$2,000. This amount will then be added to the total insured value; otherwise, if not specified, the item will be limited to a maximum value of AU\$2,000.
- In 'Option B', items that are not declared are not insured.

- 3.2 **Owner or Authorised Agent.** You warrant that, in entering into this agreement, You are either the owner of the Goods, or the authorised agent of the owner.
- 3.3 **Packaging of the Goods.** Except where We have packed the Goods, You warrant that You have complied with all laws and regulations relating to the packaging, labelling or carriage of the Goods, and that the Goods are packed in a manner adequate, having regard to their nature, to withstand the ordinary risks of removal, carriage and storage.
- 3.4 **Presence at Loading/Unloading.** You will ensure that You or some person on your behalf is present when the Goods are loaded or unloaded, except if they are being unloaded into or loaded from store.
- 3.5 **Authority to Import.** You warrant that the consignee of the Goods (whether You or some other person) is the holder of such entry documentation (passport, visa etc) for, or has such residency status in, the country of destination of the Goods as may be necessary to authorise the importation of the Goods to that country.

- 3.9 **Goods Left Behind or Moved in Error.** You will ensure, to the best of Your ability, that all Goods to be removed (other than Goods being removed from store) or stored are uplifted by Us and that none is taken in error.

4. Method of Carriage, Subcontractors and Ancillary Services

- 4.1 **Mode of Carriage.** We shall be entitled to carry, or arrange for the carriage of, the Goods by any reasonable route (having regard to all the circumstances including the nature and destination of any other goods being carried on or in the conveying vehicle or container) and by any reasonable means, including, where We consider it necessary or desirable, by sea, rail or air, and for that purpose, as Your agent, to arrange for a Third Party Provider effect such carriage by sea, rail or air.
- 4.2 **Ancillary Services.** Where We engage any Third Party Providers, We do so on Your behalf, and as Your agent, and subject to the terms and conditions of that party. We accept no liability, including liability for any loss or damage, arising out of the provision of Ancillary Services. However, if We arrange for a Third Party Provider to undertake carriage of the Goods by sea, rail or air, and the Goods suffer loss or damage at some time when they are either in Our possession or the possession of the Third Party Provider, and if We cannot establish, on the balance of probabilities, that the Goods were in the possession of the Third Party Provider when that loss or damage occurred, the Goods will be deemed to have been in Our possession at that time.
- 4.3 **Sea and Air Carriers.** You should note that the liability of air and sea carriers for loss of, damage to and delay in the delivery of goods is limited by international treaties, rules and regulations, and that if a sea carrier in an emergency, and to save such of the ship's cargo as it can, fails to deliver the Goods, or diverts them to a place other than the intended destination, You have limited rights against that carrier, and You may be liable for general average contribution (a contribution to the costs incurred by the carrier to preserve the vessel and its cargo) and salvage charges, and/or the additional cost of onward carriage to the intended destination. These are insurable risks, and You should arrange adequate marine transit insurance cover, which may be arranged through Us - see sub-clause 10.1.
- 4.4 **Overseas Removal by Road.** Unless otherwise instructed by You in writing, We will arrange for one or more Nominated Agents to undertake the overseas removal to the extent that that removal is by road. If You instruct Us to arrange for any part of the overseas removal of the Goods by road to be undertaken by a removal contractor nominated by You, We will do so as Your agent, and subject to the terms and conditions of that contractor.
- 4.5 **Subcontractors.** We may use a Subcontractor or Subcontractors to undertake the whole or any part of the Services, but if We do so, We will continue to be responsible to You for the performance of the Services.
- 4.6 **Liability of Subcontractors and Employees.** Any provisions in these conditions which limit Our liability also apply to Our Subcontractors and to Our employees and to the employees of Our Subcontractors. For the purposes of this subclause, We are, or are deemed to be, acting as agent or trustee on behalf of each of the persons referred to, and each of them shall to that extent be deemed to be parties to this agreement.

5. Delivery

We shall not be bound to deliver the Goods except to You or a person authorised in writing by You to receive the Goods. If We cannot deliver the Goods either because there is no authorised person there to receive them on Our arrival, or because We cannot gain access to the premises, or for any other reason beyond Our control, We will be entitled to unload the Goods into a warehouse, and will be entitled to charge an additional amount for storage and for the subsequent re-delivery of the Goods. If this happens, We will endeavour to contact You to ascertain whether You have any alternative instructions, and if so We will carry out those instructions if reasonably practicable. We will be entitled to make a reasonable additional charge for any additional work or costs thereby required or entailed.

6. Storage Conditions

- 6.1 **Inventory.** We will prepare an inventory of Goods received for storage and will ask You to sign that inventory. You will be provided with a copy of the inventory. If You sign the inventory, or do not do so and fail to object to its accuracy within 7 days of receiving it from Us, the inventory will be conclusive evidence of the Goods received by Us. The inventory will disclose only visible items and not any contents unless You ask for the contents to be listed, in which case We will be entitled to make a reasonable additional charge.
- 6.2 **Contact Address.** You agree to advise Us of an address to which We can forward any notice or correspondence, and to promptly notify Us of any change of address.
- 6.3 **Price Changes.** Our storage charges will be as quoted to You for the first 26 weeks of storage. After 26 weeks, We may change the storage charges from time to time on giving 28 days' written notice to You.

- 6.4 Warehouse Change.** We are authorised to remove the Goods from one warehouse to another without cost to You. We will notify You of the removal and advise the address of the warehouse to which the Goods are being removed not less than 5 days before removal (except in emergency, when such notice will be given as soon as possible).
- 6.5 Inspection of Goods in Store.** You are entitled, upon giving Us reasonable notice, to inspect the Goods in store, but a reasonable charge may be made by Us for this service.
- 6.6 Removal from Storage.** Subject to payment for the balance of any fixed or minimum period of storage agreed, You may require the Goods to be removed from store at any time on giving Us not less than 5 working days' notice. If You give Us less notice, We will still use Our best endeavours to meet your requirement, but shall be entitled to make a reasonable additional charge for the short notice.
- 6.7 Compulsory Removal and Disposal.** You agree to remove the Goods from storage within 28 days of a written notice of requirement from Us to do so. In default, We may, after 14 days' notice to You, SELL ALL OR ANY OF THE GOODS by public auction or on Ebay or a similar online auction sale facility or, if that is not reasonably practicable, by private treaty and apply the net proceeds in or towards satisfaction of any amount owing by You to Us.
- 7. Charges and Payments**
- 7.1 Variation of Work Required and Delay.** If the work You ultimately require Us to do varies from the work for which a quotation or estimate has been given, or if We are prevented from or delayed in undertaking the Services or any part thereof (except where that prevention or delay results from a factor within Our control), we will also be entitled to make a reasonable additional charge.
- 7.2 Alteration of Dates.** If a date for the performance by Us of any Services is agreed upon in the quotation and acceptance or subsequently, and You require that date to be altered or the Goods are not available on that date, We will be entitled to make a reasonable additional charge for any loss or additional expense occasioned by such alteration or unavailability.
- 7.3 Payment to Third Parties, Taxes and Duties etc.** We will be entitled to reimbursement from You of any amount which we have been required to pay to a third party (other than to a Subcontractor) to obtain or effect delivery of the Goods. In addition, We will be entitled to reimbursement of any customs duties, sales tax, GST, and other similar Government costs and charges; for costs and charges associated with inspection, examination, seizure or destruction undertaken, required or authorised by any Government or other authority; and for unforeseen additional costs and charges for fumigation and steam cleaning, bonding, container demurrage and external storage.
- 7.4 Payment by Third Party.** If You arrange with Us or instruct Us that Our charges are to be paid by a third party, and if that party does not pay the charges within 14 days of the date set for payment or, if no date is set for payment, within 14 days of the date of invoice, You agree to thereupon pay the charges.
- 7.5 Default Charges.** If amounts are outstanding from You to Us for more than 30 days, We will be entitled to charge interest at the Commonwealth Bank maximum personal overdraft interest rate for amounts not exceeding AU\$100,000 from time to time, calculated on monthly rates.
- 7.6 Contractual Liens.** All Goods received by Us will be subject to a general lien for any moneys due by You to Us relating to any Services provided under this or any other agreement. Without prejudice to any other rights which We may have under this contract or otherwise at law, if any amounts have been outstanding for a period of 26 weeks, We may give 28 days' written notice to You of intention to sell, and if the outstanding amount is not paid within that period, We may SELL ALL OR ANY OF THE GOODS by public auction or on Ebay or a similar online auction sale facility or, if that is not reasonably practicable, by private treaty and apply the net proceeds in or towards satisfaction of the amount due.
- 8. Loss or Damage – Private Removals and Storage**
- 8.1 Australian Consumer Law.** Except where the Services are required by You for the purposes of a business, trade, profession or occupation in which You are engaged, this agreement will be subject to the guarantees set out in sections 60, 61 and 62 of the *Australian Consumer Law* (as enacted as Schedule 2 of the *Competition and Consumer Act 2010*) being, in particular, a guarantee that the Services to be undertaken by Us (that is, the Services other than any Ancillary Services) will be rendered with due care and skill, and the following conditions of this clause 8 will apply.
- 8.2 Exclusions.** We will not be liable for any loss or damage nor any delay which results from any cause beyond Our control, including any loss or damage occurring in the course of the provision of Ancillary Services by Third Party Providers or in the course the provision of any overseas removal by road which is not undertaken by a Nominated Agent.
- 8.3 Damage to Goods - Packaging.** If the Goods sustain damage by reason of defective or inadequate packing or unpacking, and the packing or unpacking (as the case may be) was not undertaken by Us or a Subcontractor, We will not be liable.
- 8.4 Damage to Goods - Inherent Risk.** Certain goods (including electrical and mechanical appliances, computer equipment, scientific instruments and certain musical instruments) are inherently susceptible to suffer damage or disorder upon removal. Unless that damage or disorder results from the want of due care and skill on Our part, We will not be liable.
- 8.5 Notification of Loss or Damage.** Any claim for loss or damage under this clause 8 is to be notified by You to Us in writing, or by telephone and later confirmed in writing, within a reasonable time after the date of delivery. We will have the best chance of locating any misplaced items, or ascertaining the cause of damage, if that notification is given to Us within 2 working days.
- 8.6 Maximum Value of Goods.** In any claim for loss or damage under this clause 8, any estimate of the value of the Goods which You have provided to Us, whether for the purposes of insurance or otherwise, will be prima facie evidence that the total value of the Goods, or the value of any item or group of items for which a value was specified, did not exceed that estimate at the time of loss or damage.
- 9. Loss or Damage – Commercial Removals and Storage**
- 9.1 Application.** If the Services are required by You for the purposes of a business, trade, profession or occupation in which You are engaged, the following conditions of this clause 9 will apply.
- 9.2 Negligence.** We will only be liable for loss or damage to the Goods or any other property resulting from Our negligence (including the negligence of any Subcontractor, but excluding the negligence of any Third Party Provider and of any removal contractor who performs any part of the overseas removal of the Goods by road unless that removal contractor is a Nominated Agent), and in any event that liability will be limited to AU\$100 per item or package, or AU\$1,000 in respect of all Goods moved or stored under this agreement (whichever is the lesser), and AU\$200 in respect of any other property.
- 9.3 Claims.** In circumstances where We are liable under subclause 9.2, notice of the claim must be given by You to Us as soon as possible, and written notice must be given within 14 days of the date of delivery or, in the case of loss, the date upon which the Goods would ordinarily have been delivered, failing which We will have no further liability.
- 9.4 Exclusions.** We will not be liable for any loss, damage or delay which results from any cause beyond Our control, including weather or industrial disputes; any loss or damage resulting from inadequate or improper packing or unpacking unless the Goods damaged or causing damage were both packed and unpacked by Us; loss or damage to any fragile goods or valuable items as referred to in sub-clause 3.7, even if of a value less than AU\$2000; nor electrical, electronic or mechanical derangement of Goods.
- 10. Insurance**
- 10.1 Our Insurance.** We offer to arrange for the Goods to be insured during transit and storage, and details of the type of insurance and the rates are set out in Our quotation and/or will be provided on request. This insurance will only be arranged if You request Us in writing to do so (including by so indicating in Your written acceptance of Our quotation).
- 10.2 Other Insurance.** You may, of course, arrange insurance with an insurer of Your choice.
- 11. Disputes**
- 11.1 Notification of Dispute.** If You or We consider that a dispute has arisen in relation to this agreement (either during the Services, or after they have been completed), written notice of the dispute will be given to the other party. Even if that notice is given, You and We must continue to perform any obligations outstanding by Us under the agreement.
- 11.2 Dispute Resolution.** If You and We cannot resolve the dispute between Us, You are entitled to refer the dispute to the Australian Furniture Removers Association (telephone +612 9659 5300) which has procedures for dispute resolution, and We, but not You, will be bound by the outcome of that referral.
- 12. Variation and Notice**
- 12.1 Variation.** The terms of these conditions cannot be varied other than by Your and Our mutual consent. Our consent can only be given by a proprietor, director, secretary or manager, and must be evidenced in writing.

3 BASIS OF SETTLEMENT

<input type="radio"/> Replacement Cost ('new for old'). You're covered for the full replacement cost for any items totally lost or destroyed, or reasonable cost of repairs or restoration if damaged. (Computers and computer accessories, clothing, motor vehicles, motor bikes, caravans, boats and trailers can only be insured for their Market Value.) For items declared in the 'Valuables' clause and items declared under 'Option B: Specified Items Method', the sum insured is limited to the declared value nominated by you on your Insurance Declaration.	OR	<input type="radio"/> Market Value Replacement Cost less an allowance for age, condition, wear & tear and depreciation.
--	----	--

4 DECIDE ON YOUR INSURED VALUE

<input type="radio"/> OPTION A Valuation: Volume Method A Volume Method derives a declared value of your belongings by multiplying a per cubic metre (m ³) valuation rate by the total cubic metre volume of your consignment. To arrive at your insured value, simply multiply the volume of your consignment (per your removals expert), by the minimum value of A\$2,500/m ³ within Australia, or A\$3,500/m ³ for overseas.	OR	<input type="radio"/> OPTION B Valuation: Specified Items Method B Specified Items Method derives a declared value of your belongings by the sum total of your specified value of each of your items. To arrive at your insured value, complete the detailed Specified Items Method form by nominating the actual Replacement Cost or Market Value of your items.
--	----	--

IMPORTANT NOTES:

- Carefully consider the appropriate basis of valuation method ('Option A' or 'Option B'), as this will be used in the event of a claim, and the amount nominated by you is the maximum value payable under the policy.
- Carefully consider whether the minimum cubic metre values specified in 'Option A' are sufficient for your needs. If the nominated amounts are insufficient, please amend with the value that suits your needs and then calculate the declared replacement cost of your consignment.
- When moving overseas, allow for any increase in the cost of goods at your country of destination, or any variances in the currency exchange rates.
- In both valuation methods ('Option A' or 'Option B'), you will also need to complete the Valuables Table nominating and valuing any antique, curio, plate, precious object, work of art, collection of items, fur, piece of precision equipment or similar, or professionally packed carton by Chess Moving where the value exceeds A\$2,000. This amount will then be added to the total insured value; otherwise, if not specified, the item will be limited to a maximum value of A\$2,000.
- In 'Option B', items that are not declared are not insured.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that You should be aware of when deciding whether to be covered by this product. These may affect the amount of the payment that we will make to You if You have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of the insured value, or some other amount, factor or item specified in the relevant clause within this document.

The Coverholder may vary the policy with our consent and alter the cover under the policy. If that occurs, we will issue a new PDS, provide a PDS update or otherwise advise You of any such changes in accordance with applicable laws.

It is a condition of provision of cover in respect of a Customer under the policy that the Coverholder obtains the agreed information in the Insurance Declaration from each Customer before cover is provided to that Customer and, subject to the provisions of the Insurance Contracts Act 1984 (Cth), we will not be liable to provide or to pay benefits where there has been misrepresentation or non-disclosure by a Customer. For these purposes we will treat You as if You did owe a duty of disclosure to us (see Special Condition 6.12 Applications for Cover).

Make sure you have the cover you need

You should consider the appropriate amounts and risks for which You need to be insured. If You do not obtain adequate coverage for the relevant risks, You may have to bear any uninsured losses Yourself.

Refer to "Basis of Settlement" below.

Basis of Settlement

You can choose whether Your Goods are insured on a “Replacement Cost” basis or for “Market Value”.

Under the Replacement Cost basis, if Your Goods are lost or totally destroyed, You receive the new replacement cost or the maximum of the specifically declared item value nominated on the Insurance Declaration but in no case will the value exceed the current market replacement value subject to the customer’s total declared value.

Under the Market Value basis, You only receive the replacement cost less a reasonable allowance for age, condition wear, tear and depreciation.

The correct Basis of Settlement selection is vital as an incorrect selection may possibly leave You without sufficient funds to cover Your loss.

If Your Goods are damaged, the reasonable cost of repair will be covered for an accepted claim regardless of which Basis of Settlement You have elected.

The following table sets out the Basis of Settlement and restrictions for specific items:

Item	Basis of settlement / restrictions
Computers and computer accessories Clothing Motor vehicles, motor bikes, caravans, boats and trailers	Market value only
Office, hotel, factory and any other business goods including plant and machinery	The lesser of the invoice value or the market value of Your Goods at the time of loss plus insurance, packing and freight
Pairs and sets	Only the lost or damaged part or parts covered
Antique(s), works of art and fine art	Reasonable cost of repair but not any depreciation or loss of value caused by the loss or damage. Maximum 10% of the declared value of the item for any depreciation or loss of value as a result of the repairs
Motor vehicles or motor bikes being driven under their own power	Not covered unless being driven by an authorised representative of the Removal Company for the purpose of loading or unloading or to and from Customs or Quarantine areas within the approved Removal Company or agent’s premises
Valuables worth more than \$1,000	Limited to a maximum of \$1,000 unless each item is specifically declared and valued in Your Insurance Declaration
Owner packed cartons	Maximum of \$500 per carton for non delivery unless an itemised valued list of contents is supplied to the Removal Company prior to the commencement of transit. Goods packed by You are insured only for restricted cover unless otherwise agreed and noted on the Certificate of Insurance

Additional Benefits Covered

The following additional policy benefits are automatically included and provide cover for amounts in excess of the declared value. For full particulars, please refer to Additional Benefits Covered on page 11.

Additional Benefits Covered	
General Average	In relation to transit by sea, cover for general average including salvage charges
Temporary Accommodation	The reasonable cost of temporary accommodation costs of \$200 per day for 30 days or until Your Goods are delivered, whichever occurs first, as a result of an insured risk and Customer's Goods not delivered by the contracted delivery date

Excesses can apply

A Customer Excess applies under the policy. This excess is not an additional fee charged by us at the time of making a claim. Rather it is the uninsured first portion of a loss for which You are otherwise covered. The Removal Company must pay the first \$2,000 in respect of a claim and You must pay the amount shown in the Certificate of Insurance.

Exclusions

This policy contains a number of exclusions, some of which are common in insurance policies. For example, we may not pay for loss or damage arising out of:

- Wear and tear, moths, vermin infestation, corrosion, contamination or deterioration;
- Mould, mildew or fungus, unless caused by an insured event and not otherwise excluded, except if agreed and noted on the Certificate of Insurance;
- Terrorism (storage risk only).

Some of the exclusions may be less common. Before making a decision about whether to obtain the benefit of coverage under this product, You should read the full details of all relevant exclusions.

Please refer to 'Exclusions From and Limitations of Cover' on page 13 for full details of these.

Special Conditions

Special conditions applicable to this product include conditions that apply in certain circumstances as well as Your obligations with which You need to comply. Please refer Special Conditions from page 15.

Special conditions include the following:

Termination of Authorised Representative Agreement	If the Removal Company is no longer an authorised representative for one of the reasons listed, the Insurers agree to manage and settle claims direct with the Customer
Loss of Customers' Pre Paid Removal Costs and Pre Paid Removal Deposits	In event of Removal Company liquidation, receivership, administration or bankruptcy, where the Removal Company does not perform the removal, this covers the refund of any such pre-paid amounts, where nominated

You should make yourself aware of all the terms and conditions that apply. If You do not meet them, we may be able to decline Your claim or reduce the claim payment.

Change of circumstances

You should also notify the Removal Company or us as soon as possible when Your circumstances change if they are relevant to Your cover. For instance, if You change the destination Your Goods are to be delivered to or You purchase or store additional goods. If You do not tell Your Removal Company or us of these changes, in the event of a claim You may not receive sufficient funds to cover Your loss.

Duty of Disclosure

This contract of insurance will be governed by either the Insurance Contracts Act 1984 (Cth) or the Marine Insurance Act 1909 (Cth).

Duty of Disclosure under the Insurance Contracts Act 1984

Before You enter into an insurance contract, you have a duty to tell us anything that You know, or could reasonably be expected to know, may affect our decision to insure You and on what terms.

You have this duty until we agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure You for;
- is common knowledge;
- we know or should know as an insurer; or
- we waive Your duty to tell us about.

If you do not tell us something

If you do not tell us anything You are required to, we may cancel Your contract or reduce the amount we will pay You if You make a claim, or both.

If Your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Duty of Disclosure under the Marine Insurance Act 1909

Your attention is drawn to Sections 23 to 27 of the Marine Insurance Act 1909 (Cth) and, in particular, that any contract of marine insurance is based on utmost good faith and in the absence of such good faith, may be avoided. Further, You have an obligation to disclose to us every material circumstance which is known to You and/or which in the ordinary course of business ought to be known to You. Every circumstance is material if it would influence the judgement of a prudent insurer in fixing the premium or determining whether they will take the risk. If there is a failure to make such disclosure, we may avoid the contract.

Our contract with the Coverholder

The Insurers and the Coverholder have agreed policy terms. The policy is a contract of insurance between the Coverholder and the Insurers and contains all the details of the cover we provide.

This policy is made up of:

- the policy wording. It states what is covered, sets out the claims procedure, Exclusions and other terms and conditions of cover;
- the proposal, which is the information provided by the Coverholder to us;
- the Insurance Declaration, which is the information provided by You to us;
- the most current Policy Schedule issued by us. The Policy Schedule is a separate document unique to the Coverholder. It includes any changes, Exclusions, terms and conditions and may amend the policy;
- the most current Certificate of Insurance issued to You by the Removal Company. The Certificate of Insurance is a separate document unique to You. It includes any changes, Exclusions, terms and conditions and may amend the policy; and
- any other changes advised by us in writing (such as an endorsement). These changes vary or modify the above documents.

Please note, You are only covered for the cover option and risks shown as covered in the Certificate of Insurance.

How we calculate premiums

The amount we charge to cover Your Goods is made up of a premium and any government taxes and charges applicable.

The amount we charge varies depending on the information we receive from You about the risk to be covered by us. The higher the risk is the higher the charge. Some of the factors impacting the amount charged to cover Your Goods are:

- the value of the goods being removed or stored;
- the basis of settlement You select (market value or replacement value);
- the risk covered (transit and/or storage);
- the distance the goods are transported and/or the period for which the goods are stored; and
